Tuesday

7:00 a.m.	Registration and trade show open in Community Building					
8:00-9:30 a.m.	**Welcome & Keynote in Old Town Museum** **John Kempf - Driving Profitability with Biology Centric Agronomy**					
Breakout Rooms:	**Room A**	**Room B**	**Room 109**	**Room 111**	**Room 114**	**Rec Room**
9:45 -10:45 a.m.	**Patrick Fabian** Daring to Challenge the Status Quo for Profitability	**Annie Overlin** Pasture Renovation Through the Lens of Soil Health	**Roger & Ryan Heier** Passing the Torch Unconventionally	**Nick & Cassie Easterly** Stockmanship: The Solution to Diversification Pitfalls	**Marlon Winger** Soil Health Management Systems in the Intermountain West	**Al Toops** Synergy in the Soil: Blending Biologicals with Fertilizer
10:45 - 11:15 a.m.	Break in Trade Show Area					
11:15-12:15 p.m.	**Carlos F. Suarez Isaacs** Sustainability Assurances of U.S. Origin for International Supply Chains	**Michael Bourke** Precision Ag Practices	**Brian Brhel** Nutrient release with Covers, Cattle and Compost	**Lauren Hafford** Responsive On-Farm Testing: Aggregate Stability and the Slakes App	**Duke Webb** Diversifying Against the Odds - Crops/Livestock/People	**John Kempf** Building the Capacity to Steward Our Land
12:00-1:15 p.m.	**Lunch in Old Town Museum**					
1:15 -2:15 p.m.	**Colby Stegman** Farming without Fertilizer. Using Biology and Carbon to Unlock Nutrients	**Austin Cisneros** The Biology of Better Farming: Planning, Prioritizing, and Executing a Biological Fertility Program	**Rob Shortell** Nutrients, Hormones, and Biostimulants: Increasing Yield with Less	**Vance Mccoy** Cover crops...BECAUSE It's Just Too Dry Here	**Mike Zuzolo** 2025: Back to the Future in Commodities	**Jay Young** Practical Steps for Managing Soil Health in the High Plains
2:15 - 2:45 p.m.	Break in Trade Show Area					
2:45 - 3:45 p.m.	**Dan Rasure** Plant Hydration: Reducing Stress & Increasing Profits	**Miles Sorel** SAP Analysis and Plant Nutrient Usage	**Tyler Johnson** Using Biology to Reduce Synthetic Inputs	**Joel Grosbach** Discovering WHY - Principles and Practice in Regenerative Ag	**Stacy Loutzenhiser** Farm Ratio Lending - What Key Metrics in Lending Mean	**Jeff Corle** From Cows to Country Music: When Vulnerability Goes Viral!
4:00-5:00 p.m.	**Keynote in Old Town Museum - Sponsored by Pioneer** **Don Day Jr. - Main Climate Drivers and Expected Long-Range Trends for the High Plains**					
5:00 - 6:00 p.m.	**Beer & Bull Social in Trade Show Area**					

Wednesday

8:00-8:25 a.m.	**CCTA Annual Meeting in Museum (all attendees welcome)**					
8:30-9:30 a.m.	**Keynote in Museum** **Erin Martin - The FreshRx Model — Healing People and the Land**					
Breakout Rooms:	**Room A**	**Room B**	**Room 109**	**Room 111**	**Room 114**	**Rec Room**
9:45-10:45 a.m.	**Patrick Fabian** Daring to Challenge the Status Quo for Profitability	**Miles Sorel** SAP Analysis and Plant Nutrient Usage	**Roger & Ryan Heier** Passing the Torch Unconventionally	**Nick & Cassie Easterly** Stockmanship: The Solution to Diversification Pitfalls	**Jakin Berns** Emerging Cover Crops: The Tried & True and The Next & New	**FFA Session**
10:45-11:15 a.m.	Break in Trade Show Area					
11:15-12:15 p.m.	**Colby Stegman** Farming without Fertilizer. Using Biology and Carbon to Unlock Nutrients	**Al Toops** Synergy in the Soil: Blending Biologicals with Fertilizer	**Brian Brhel** Nutrient release with Covers, Cattle and Compost	**Mike Zuzolo** 2025: Back to the Future in Commodities	**Duke Webb** Diversifying Against the Odds - Crops/Livestock/People	**Jeff Corle** From Cows to Country Music: When Vulnerability Goes Viral!
12:00-1:15 p.m.	**Lunch in Old Town Museum**					
1:15 -2:15 p.m.	**Tyler Johnson** Using Biology to Reduce Synthetic Inputs	**Michael Bourke** Precision Ag Practices	**Rob Shortell** Nutrients, Hormones, and Biostimulants: Increasing Yield with Less	**Joel Grosbach** Discovering WHY - Principles and Practice in Regenerative Ag	**Marlon Winger** Soil Health Management Systems in the Intermountain West	**Jay Young** Practical Steps for Managing Soil Health in the High Plains
2:15 - 2:45 p.m.	Break in Trade Show Area					
2:45 - 3:45 p.m.	**Closing Session - Cow Tech Panel in Rec Room**
